

In with the **NEW!**

GS30

GLS30

Say “goodbye” to the GS30 and GS30T and “hello” to the new **GLS30!**

Here's what's improved:

Smaller footprint – The GLS30 takes up 32% less space than the GS30 and GS30T

Change Function – displays the change due to the customer

More energy efficient – less power used by the display, longer battery life

Better visual cues – like the Low Battery and Charge Indicators

Lower cost - offering more features for better value
